Attention: Mary Boucek, Permit Supervisor

Ref: Board Order Bear Canyon
Road Completion

Dear Mary:

As per our phone conversation of 5/28/84: On 5/29/84, Mr. Ed Swap of the engineering firm of Johanson and Tuttle, Castle Dale, Utah inspected the Bear Canyon Road for Emery County. Mr. Swap indicated that Co-Op had fulfilled the construction aspect of the agreement and that the road was complete. He further indicated that there was some maintainance necessary on the barrow areas and a culvert head stop. Co-Op agreed to do this work and subsequently has completed it. North Emery Water Users have not reached agreement within their company as to their water line where it intersects the road. However, Co-Op has agreed to follow their wishes as to casing or not casing the additional line.

Sincerely,

Melvin A. Coonrod
Permitting and Compliance Director
Co-Op Mining Company
